FROM THE IMAGINATION OF DIRECTOR **TIM BURTON**

AN ADVENTURE AS BIG AS LIFE ITSELF.

A surreal landscape where the title 'BIG FISH' is rendered in large, dark, stylized letters that resemble gnarled tree trunks. A man in a dark suit walks along a path that leads through the letters. The background is a vast, rolling green field under a sky with soft, golden light, suggesting a sunset or sunrise. The overall mood is whimsical and dreamlike.

A movie poster for Blade Runner. The top half features a close-up of Harrison Ford as Rick Deckard, looking intensely at the camera while holding a glowing blue replicant. In the background, Rutger Hauer as Roy Batty is visible, holding a lit cigarette. The setting is a futuristic, rain-soaked cityscape at night, with neon lights and a large, glowing blue replicant in the foreground. The overall tone is dark and atmospheric.

AL PACINO SCARFACE

In the spring of 1980,
the port at Mariel Harbor
was opened, and thousands
set sail for the United States.
They came in search
of the American Dream.

One of them found it on the
sun-washed avenues of
Miami...wealth, power and
passion beyond
his wildest dreams.

He was Tony Montana.
The world will remember
him by another name
...SCARFACE.

He loved the American Dream.
With a vengeance.
